

PPE Mission 7 SUITE

Certifications Cyber-sécurité

The screenshot shows the SecNum Académie platform interface. On the left, a dark sidebar contains navigation links: Accueil, Mes ressources, Mon attestation, and Mon profil. The main content area is titled "MODULES". It displays two modules side-by-side:

- MODULE 1**: **Panorama de la SSI**. This module features a blue background with icons representing global communication, location, data storage, and network security. Below the icon set, the title "Panorama de la SSI" is displayed, along with a timer ("Temps passé : 02:09:18") and a score ("Score : 88%"). A green button labeled "Afficher les unités" is at the bottom.
- MODULE 2**: **Sécurité de l'authentification**. This module features a yellow background with icons representing a shield, a laptop displaying user authentication, and a person holding a smartphone. Below the icon set, the title "Sécurité de l'authentification" is displayed, along with a timer ("Temps passé : 00:59:31") and a score ("Score : 90%"). A green button labeled "Afficher les unités" is at the bottom.
